

Laura Rossi

Family, corporate and editorial photographer. Clients include the World Economic Forum, Deloitte, TD, TELUS and Concord. Seen in The Globe and Mail and Toronto Life.

One photographer, the whole corporate calendar.

Laura Rossi photographs conferences and galas for organizations like the World Economic Forum, Deloitte and TD, launch evenings featuring De Beers and Porsche, content days that retire a company's stock photography, and headshots for entire teams in an afternoon. On stage she has photographed Swedish House Mafia, Armin van Buuren and Eric Prydz.

For close to a decade she has been the photographer for Concord's Toronto communities: buildings, launches, retail, community events and lifestyle across CityPlace, Concord Park Place and the Gloucester site.

MOVIE NIGHT ON THE COMMON

A community is photographed in four chapters: the buildings, the art between them, the events that fill the calendar, and the people who stay. Ten years across Concord's communities is the proof; standing programs are available for projects across the GTA.

And everything a brand touches.
